

Come Celebrate

Imbolg

With the
Society of Elder Faiths

Saturday, January 23

at Brigham Hill Community Farm in Grafton.

Gather at 6 PM

Imbolc stands between the dark of Yule and the Spring equinox.

By Imbolc the days are noticeably longer.

And even though it seems like the depth of winter,

Imbolc is the time when we celebrate the
quickenning of the year.

This will be a serious transformational working for each individual attending, and as such is not appropriate for children. All attendees are requested to bring a fully prepared and cooked hearty main dish to be shared at the post-ritual feast, along with any necessary serving utensils. Oven space is available to warm up food, and we'll supply cups, plates, and eating utensils. SEF does not sell or supply alcohol, but you may bring some for your own moderate use.

Fee: Suggested donation \$5 Members / \$10 all others.
Doors open at 6:00 PM with the ritual orientation at 7 PM.
To allow our Rite to begin promptly, doors will be locked at 7.
